

Judgment Against the Nephilim: Dream

by David Michael, info@glentivar.org

The Dream World Encounter

In the early morning of the 17th of December 2015, I found myself in another dimension in conflict with the disembodied evil spirits of the Nephilim that become demons (male) and sirens (female). At the end of the encounter, I took in a very deep breath and breathed out very slowly. As I did this a great storm developed from my breath and I said, "The judgment against the Nephilim now begins." This occurred on the early morning of the 17th of December, 2015.

Storm of Judgment

The great storm that followed is not to be seen in the natural but in the supernatural world as a storm of the four spiritual winds led by Michael the Archangel who would pursue the fallen Watchers (angels) and their off-spring the Nephilim and those evil disembodied evil spirits of the Nephilim who once lived on the earth. Enoch tells of the judgment of the fallen Watchers and their offspring. First the off-spring Nephilim would be pursued by the righteous ones and killed by the sword and once they were removed from the earth, the fallen Watchers would also be hunted down, captured and imprisoned in Tartarus.

I had an earlier dream encounter where I found the Sword of Goliath (story in School of the Prophets, Book I) . When I picked up the sword partially buried in the earth, the words were spoken, "The sword of Goliath for the killing of the Nephilim." This dream encounter is a continuation of this theme.

Past Watchers Captured

The first 200 fallen Watchers led by 20 captains may or may not have already been all imprisoned in Tartarus. After the flood more Watchers fell from heaven taking on human form and these are yet to be captured along with their Nephilim off-spring as a new Nephilim hybrid race who now run the New World Order of the world. However, the occult world claims the seed of Cain was preserved from death in the Great Flood. The Nephilim bloodline of Cain continues to this day and is claimed as the origin of the current Illuminati blood lines and the Merovingian bloodlines. I do not doubt this claim.

Cain, Sodomy and the Antichrist

The origin of Cain came from the mating of the Watcher Sama-el in the garden of Eden and Eve. It says Adam also took of the 'fruit' of the Tree of the Knowledge of Good and Evil and sinned. This sin for Adam was the sin of Sodomy as Watchers are shape-shifters according to Enoch and can take many forms including serpents or human male and female bodies. This is why sodomy is core to the work of Satan and the Antichrist regime often used as a right of passage into this dark army of evil.

In addition to the fact Sodomy is unnatural according to the laws of nature, it is also the act that caused mankind through Adam to fall from grace in the Garden of Eden. This is why sodomy is so hated in the sight of YHWH and according to the Law of Moses, death by stoning was the mandatory sentence for this crime.

Today, these Nephilim controlled sodomites have caused the righteous in America and around the world to fear confronting them for their Satanic sexual life-style and acts. Please....we should never cease from telling the truth in love and should continue to confront these open acts of evil which is a cancer to our humanity. Those who habitually commit the acts of sodomy are slaves to the Nephilim New World Order and Satan and for many, their conscience has become reprobate.

The war against the Nephilim who are still in body and those disembodied is renewed this day.

The Prophets of YHWH like Elijah must isolate the powers behind the powers that lead this world into slavery and confront them as backed by the armies of YHWH in the heavenlies. The method is prayer were the sword of Goliath meant for killing the righteous and now turned against those who seek evil against the righteous. In the manner you seek to judge others if done unrighteously, in this same manner shall you be judged. .
