

Priesthood of Melchizedek

Y'Shua Appears

In the early morning of the 11th of October, 2013, I had a visitation from Y'Shua. I could see the outline of his body that was full of light and in full majesty. He stood about 4-5 feet from me. He then looked into my eyes and spoke to me the following words of instruction.

“David...No other priesthood...Not Anglican, Catholic, Orthodox, Syrian or any other. Only the Priesthood of Melchizedek.”

My Thoughts

It is now March, 2016. As I reflect on this and after writing two books related to the topic of Melchizedek, I am still seeking to understand what this means in my day to day decision making. My initial reaction was to disassociate from every thing religious in these four cultures of historic Christianity to which my various ordinations stemmed. This at the time included withdrawing from Moderating 19 Orthodox-Catholic denominations and serving as Abbot in an Orthodox Order of Franciscans. I did withdraw from these commitments as an Orthodox bishop and then just wandered in the wilderness of the Rockies as a lost priest for years.

Today, I have a different understanding. I discovered I can be an American and not allow myself to be blinded by the arrogant nationalism that is common among Americans. I can be a Melchizedek priest first and then serve in denominations as a Melchizedek priest-prophet in fulfilling the Pauline instruction to “Be all things to all men in order that you might win some.” I now understand I can serve within Orthodoxy (right teaching) as long as I do not allow the cult of Orthodoxy to enslave me.

Catholic-Protestant Cultism

Most Catholics and Protestants have misunderstand what the Melchizedek order is. They think that only Y'Shua is numbered in this order. This is a mistake in good scholarship. The fact is the Order of Melchizedek is the rightful priesthood that governs all the earth. It started with Adam then afresh with Noah followed by Shem as the Melchizedek at the time of Abraham as the Priest-King-Prophet of Salem and priest of the whole earth. This is documented in many antenicene historic sources.

The writer of Hebrews was making a point – not a statement of family history for Y'Shua. The Order started with Adam who had no mother or father – he was created – thus without descent. However, Y'Shua did have this Melchizedek descent from Mary through David and yet was without descent as the 2nd Adam being the Son begotten of YHWH born of a virgin.

The Order was not created by man but by YHWH therefore it had no beginning of days and with Y'Shua who in escaping death on the cross now lives forever, it has no end of days. This Melchizedek line carried through King David who was the Melchizedek of his day and finally to Y'Shua (Jesus) as the final High Priest of the Order. This is held as true in the most reliable and ancient Jewish history and Orthodox history sources prior to 325 AD when Constantine rewrote history and sought to merge paganism with true Christianity.
