

# Rise of the 7th Legion: Dream

by David Michael, [abbotdavidmichael@gmail.com](mailto:abbotdavidmichael@gmail.com)

## The Dream

In the early morning of the 21st of September 2016, I had a dream of civil war that encompassed the earth. One did not know who was their friend and who was the enemy. Soldier fighting soldier of the same uniform was common. If they shot at you, you shot back. The dream began back in the time of Rome in perhaps the 2nd century in Iberia (Spain) also called Hispania. In the dream, a friend and I were generals in this former legion.

## Underground Armies

I was then shown a vast underground world that was the home to the 7th Legion. I remember the green rolling hills of the area in a mountainous region somewhere in the world where the 7th Legion had its base. Each time the 7th Legion was needed, they emerged from a horizontal seam or low overhang in the rocks just at a man's height as a full vast army marching in military order from the earth.

I then understood this army were made up of Celtiberians or Celts, Hebrews and other people groups living formerly in what today is Spain/France.

## Wars Over Time

In the 2nd century, we seemed to be somewhere in the East. Then we were brought forward in time into perhaps the 4th century in Western Europe and again in the 8th century in America. My friend and I again fought and led the 7th Legion army during a time of vast civil war in today's modern times.

As the scene unfolded in modern times, I was holding an assault rifle that was the envy of others. I looked to my friend and we spoke out and agreed;

### "It is time for for the 7th Legion to rise again."

Men then started to gather together around us and became this 7th legion as we marched into battle in what seemed to be SW America. This was not so much a battle in the wide open fields but many battles were fought in the cities. The dream then ended.

## Interpretation

As I was awake, I knew there was something special about the 7th Legion of the Roman Army. After research I discovered the following.

The 7th Legion consisted of about 7000 men. I was founded in Spain and took part in the conquering of Gaul under the reign of Julius Cesar in 74 BCE. It was primarily stationed in NE Spain into the 4th century but did campaigns into Germany, Britain, North Africa and other areas of Europe and Asia. On many occasions, it was used to fight a civil war within the Roman Empire.

## Septimania

The old surname of the 7th Legion, Paterna can be translated as "the old one." Veteran soldiers of the Seventh are believed to have settled in Septimania which was during this time a Hebrew State consisting of the exiles from Israel migrating there up until circa 140 CE. The 7th legion settled among them.

The Seventh legion, however, has a more direct link to Nimes. Why? Because veteran soldiers of the Seventh are believed to have settled in Septimania. Another possible derivation of the towns name is the reference to the seven cities of the same territory: Béziers, Elne, Agde, Narbonne, Lodève, Maguelonne and Nîmes. When Delmas writes "One was established at Nimes, which was drawn from the legion which went to Egypt to conquer Mark Antony, and because of that, the town of Nimes has a crocodile for its arms" he probably means the Seventh legion too, which colonized Septimania and two of its cities, Nimes and Beziers. Presumably the soldiers, for Delmas, farming the land at Beziers and Nimes also decided to live at the thermal spa village of Rennes-les-Bains. Or perhaps even build a Roman Bath there?

It is thought the name of the country Septimania comes from the number seven (sept) and got its name from the Roman 7th Legion Veterans who settled there.

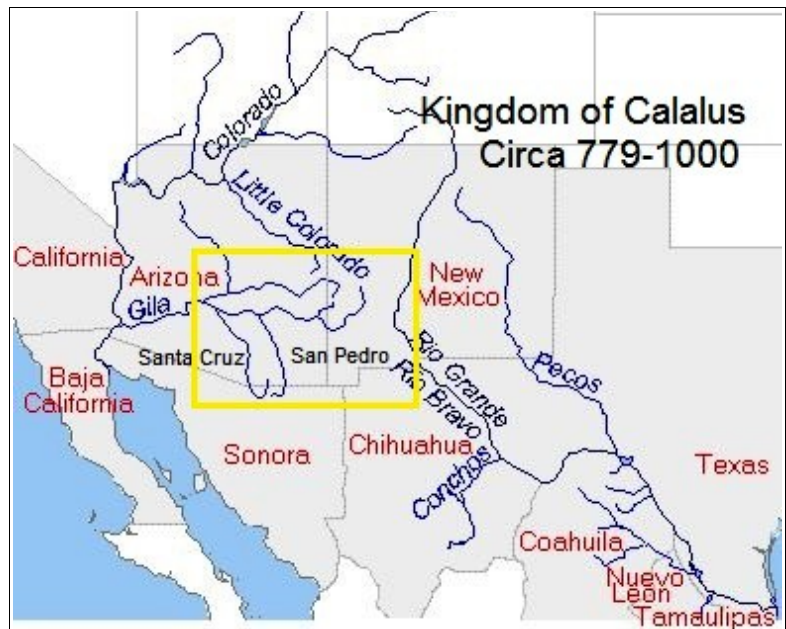

The name "Septimania" may derive from part of the Roman name of the city of Béziers, Colonia Julia Septimanorum Beaterrae, which in turn alludes to the settlement of veterans of the Roman VII Legion in the city. Another possible derivation of the name is in reference to the seven cities (civitates) of the territory: Béziers, Elne, Agde, Narbonne, Lodève, Maguelonne, and Nîmes.

Septimania extended to a line halfway between the Mediterranean and the Garonne River in the northwest; in the east the Rhône separated it from Provence; and to the south its boundary was formed by the Pyrenees. (Wikipedia)

### Calalus in America

Septimania is the key here in the dream. It is believed it was the settling veterans of the 7th Legion within Septimania that provided the military discipline and training for what became the army of the Kingdom of Calalus in America circa 775 to 1000 CE in the South

West region or the lower four corners area of the United States. By 719, the Muslim Arabs had invaded Septimania thus dispersing the possible existing armies of Septimania with the Capital Nabonne not retaken from the Muslims until 759 CE. King Pepin promised to give Jewish Septimania self rule if they would open the gate and let the armies of Pepin entry to overrun the Muslims. This is what occurred.

About this time, Charlemagne succeeded Pepin and was granted Emperor status by the Roman Church. He continued to demand the allegiance of the Israelite State of Septimania and it is believed many left the area at this time in escaping Charlemagne's Roman Catholic rule as the first emperor of the Holy Roman Empire. Where did the Hebrew-Celtic Sons of the 7th Legion go one might ask. To Ireland? Yes... and to America is the most reasonable answer setting up an independent Kingdom in the 4 corners by 775 AD. Septimania in Spain/France was soon was overcome by the Carolinian Kings and lost its independent self-rule status but the Kingdom of Calalus lasted until 1000 AD.

### Structure of the Legion

The rank structure of the Roman Legion by the 2nd century was still based on foot soldiers as their primary force. However in battle with the Germanic tribes, this failed as the German cavalry often overran the foot soldiers. By the 6th century, the Roman Legion divided into a full cavalry and a full infantry under separate commanders at the Tribune level of command. The numbers below do not reflect the non-fighting support staff to include blacksmiths, cooks, and other logistical trades.

The Roman rank system is as follows:

GROUP	LED BY	NUMBER	EQUVALENT	LED BY	COUNT
Contubernium	Decanus	8 men (tent buddies)	Squad	Sergeant	10 Contubernium= Centurium
Centurium	Centurian	80 men	Platoon/Troop	Commander	5-6 Centurium = Cohort
Cohort	Tribune Legate	480 men	Company	Captain	10 Cohorts = Legion
Legion	Legate	4800 men + 120 horsemen	Brigade	General	

By the 6th century, possibly 20-50 percent of the Legion were mounted cavalry enabling the legion to move more quickly in varied fields of battle and terrain. The mounted cavalry was fully armored and often carried a small shield, bow, spear, shorter lance tipped with a 10" blade and, a sword. The core unit of this army is the Centurium (80 men) built from 10 squads of 8 men who are a tightly trained team. The US Military still embraces the ancient Squad unit size with some extending the squad number from 8 to 12 men.

### Borders of the Kingdom

The Kings of Calalus were many as identified on the Tuscan Artifacts all with Hebrew names. They wrote on these artifacts that they ruled over the Toltecs and finally lost to them in war in circa 1000 CE. Their land in the SW began at the Rio Grand stretching through Los Lunas, NM and seemed to span to Phoenix in the NW where they found the Santa Cruz River and spread south to Tuscan.

They found other river waterways to the south of the Gila River moving east along the Gila River toward the Gila Mountains in New Mexico. They seemed to settle along the the Santa Cruz and San Pedro rivers and other tributaries and streams that all dumped into the Gila River to the North.

### Army to Rise Again

The notion that it is time for this army to rise again is appropriate in supporting and protecting the mission and people of YHWH reflected in the mission of Septimania and now Calalus in America. It can be reasoned that it was the sons of the original 7th Legion that became the armies of the Kingdom of Calalus in America for which Roman military relics were

discovered in 1924 called the Tuscan Artifacts dating to circa 750 CE. These artifacts with Latin, Greek and Hebrew script indicate the people of Calalus were a fusion of Christian, Celtic, Hebrew and Roman in culture.

**Cross of Calalus carried by the Sons of the VII Legion in America with the impaled snake – symbolizing the overcoming of the serpent seed in America.**

### Possible Spiritual Army

It is believed by some that this Kingdom of Calalus will rise again in the legacy of the 7th Legion to preserve the liberties of the faithful of YHWH who

keep the Sabbath blessings (Saturday Sabbath). I must admit it may not be a literal army that is raised up at all but the righteous souls from the 7th Legion down through history who have died who will then request to return as a 'spiritual' advance army Brigade sent early from the vast armies of Y'Shua prior to his coming. It also could be a very real army or even both kinds of armies. This may be the meaning of the armies emerging from underground - a hidden place since they are not physical but spiritual beings who will be fighting along side the angels of YHWH before the return of Y'Shua.

### **Update 11/15/2016**

In prayer today, I was reminded of the great army raised up from dry bones by YHWH as prophesied by Ezekiel that would be raised up in these end times. I was shown this included the army of the 7<sup>th</sup> legion of this dream with the resurrection of the Israelite armies of Calalus who had once ruled in America circa 750 to 1000 AD. This army also includes the living genetic Israelites who have forgotten their roots. The massive army would in time make its way to Israel as the true Israelites of Judah and Jacob/Ephraim in repossessing their homeland of Israel.

#### **Ezekiel 37 King James Version (KJV)**

1 The hand of the Lord was upon me, and carried me out in the spirit of the Lord, and set me down in the midst of the valley which was full of bones,

2 And caused me to pass by them round about: and, behold, there were very many in the open valley; and, lo, they were very dry.

3 And he said unto me, Son of man, can these bones live? And I answered, O Lord God, thou knowest.

4 Again he said unto me, Prophecy upon these bones, and say unto them, O ye dry bones, hear the word of the Lord.

5 Thus saith the Lord God unto these bones; Behold, I will cause breath to enter into you, and ye shall live:

6 And I will lay sinews upon you, and will bring up flesh upon you, and cover you with skin, and put breath in you, and ye shall live; and ye shall know that I am the Lord.

7 So I prophesied as I was commanded: and as I prophesied, there was a noise, and behold a shaking, and the bones came together, bone to his bone.

8 And when I beheld, lo, the sinews and the flesh came up upon them, and the skin covered them above: but there was no breath in them.

9 Then said he unto me, Prophecy unto the wind, prophecy, son of man, and say to the wind, Thus saith the Lord God; Come from the four winds, O breath, and breathe upon these slain, that they may live.

10 So I prophesied as he commanded me, and the breath came into them, and they lived, and stood up upon their feet, an exceeding great army.

11 Then he said unto me, Son of man, these bones are the whole house of Israel: behold, they say, Our bones are dried, and our hope is lost: we are cut off for our parts.

12 Therefore prophecy and say unto them, Thus saith the Lord God; Behold, O my people, I will open your graves, and cause you to come up out of your graves, and bring you into the land of Israel.

13 And ye shall know that I am the Lord, when I have opened your graves, O my people, and brought you up out of your graves,

14 And shall put my spirit in you, and ye shall live, and I shall place you in your own land: then shall ye know that I the Lord have spoken it, and performed it, saith the Lord.

15 The word of the Lord came again unto me, saying,

16 Moreover, thou son of man, take thee one stick, and write upon it, For Judah, and for the children of Israel his companions: then take another stick, and write upon it, For Joseph, the stick of Ephraim and for all the house of Israel his companions:

17 And join them one to another into one stick; and they shall become one in thine hand.

18 And when the children of thy people shall speak unto thee, saying, Wilt thou not shew us what thou meanest by these?

19 Say unto them, Thus saith the Lord God; Behold, I will take the stick of Joseph, which is in the hand of Ephraim, and the tribes of Israel his fellows, and will put them with him, even with the stick of Judah, and make them one stick, and they shall be one in mine hand.

20 And the sticks whereon thou writest shall be in thine hand before their eyes.  
 21 And say unto them, Thus saith the Lord God; Behold, I will take the children of Israel from among the heathen, whither they be gone, and will gather them on every side, and bring them into their own land:  
 22 And I will make them one nation in the land upon the mountains of Israel; and one king shall be king to them all: and they shall be no more two nations, neither shall they be divided into two kingdoms any more at all.  
 23 Neither shall they defile themselves any more with their idols, nor with their detestable things, nor with any of their transgressions: but I will save them out of all their dwelling places, wherein they have sinned, and will cleanse them: so shall they be my people, and I will be their God.  
 24 And David my servant shall be king over them; and they all shall have one shepherd: they shall also walk in my judgments, and observe my statutes, and do them.  
 25 And they shall dwell in the land that I have given unto Jacob my servant, wherein your fathers have dwelt; and they shall dwell therein, even they, and their children, and their children's children for ever: and my servant David shall be their prince for ever.

26 Moreover I will make a covenant of peace with them; it shall be an everlasting covenant with them: and I will place them, and multiply them, and will set my sanctuary in the midst of them for evermore.  
 27 My tabernacle also shall be with them: yea, I will be their God, and they shall be my people.  
 28 And the heathen shall know that I the Lord do sanctify Israel, when my sanctuary shall be in the midst of them for evermore.
