

# The Order of the Gate of the Temple of Jerusalem (Templar Order)

## It is hereby declared:

Through the Holy Spirit and under the jurisdiction of the Hebrew Christian scriptures, creeds and traditions of the followers of Y'Shua Hamashiach; the Order of the Gate is sent of God by vision and prophecy as confirmed by the following signate of ecclesiastical authority to entreat the monotheistic world to prepare for the Messiahs return.

## Whereas:

The Order of the Gate is sent as a spiritual army in the disciplined 'Worship' of God [YHWH] to establish His Kingdom on earth and the release of His anointed ones.

## Whereas:

The Order of the Gate looks to Jerusalem as the City of the coming Messiah and to the ancient King's Gate in the East wall as the 'station' we guard in prayer and passive\* resistance against the many false-Christ's that will come. *\*passive only as it is possible to remain so and still fulfill the mission.*

## Whereas:

The Order of the Gate accepts into its ranks married or celibate persons of any denomination that will take the vow of 'Guardian of the Gate' as the protectors of the 'Liturgy of the Tabernacle' and of the 'Kings Gate'.

## Whereas:

The Order of the Gate shall establish schools, libraries and hospitals whenever and wherever possible to teach the love of God [YHWH] through the methods of prophetic inspiration (communication arts), teaching of history (language and culture) and the mastering of practical technology (nutrition, energy, water, and shelter [NEWS]).

## Whereas:

The Order of the Gate will look to God [YHWH] as the supplier of all financial needs as we work with our own hands to fulfill this call. Gifts will not be solicited, nor will there be a financial structure to embrace them. Institutions brought into being by the order will seek an accountability to local ecclesiastical authority.

## Whereas:

The Order of the Gate will look to local and renewable natural resources as the energy source for meeting local energy needs in accordance with nature's law of self-regeneration.

## Seals of Authority

Mar (Bishop) John originates from a long line of Oriental Catholic Bishops of Syria (Syro-Chaldean) that were both priests and princes of their people.

The Catholic Apostolic Church was/is recognized as valid by Bishops of Oriental, Orthodox, Roman, Anglican and Celtic Apostulates. Mar John was granted title as the titular Bishop of Iona in 2005 by Patriarch and Archbishop John Stanley of the Syro-Chaldean (Aramaic) Church and passed this title on to Abbot David at his passing.
